Order of go will be posted at least one hour prior to the start of the class. Competitors must appear in order of the posted order of go.

All competitors will compete in the first round over the posted course of at least eight fences up to 3'3" in height with 3'5" options. The first round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. The course may include up to four option fences. Once the judge's score is given, one point will be added for each high option fence jumped.

At the conclusion of the first round, the top 10 riders will be invited back for a "pick-your-line" handy round. Posted at the back gate and available in the office, at least one hour in advance of the start of the class, will be the course indicating available fences for the pick-your-line portion. Riders must determine a course of six to ten fences, selecting the handy elements that they feel will best demonstrate the strengths of their horse. The second round will be judged on performance, hunter-pace, jumping-style, quality and substance, and movement. The course may include up to four option fences. Once the judge's score is given, one point will be added for each high option fence jumped.

The combined score from round one and round two will determine overall score and placement in the class.

About the Park Foundation

Our Mission

The Foundation is dedicated to creating opportunity within the community to support relevance of the horse in today's world and its unique ability to enhance education, health and quality of life, particularly for the handicapped and underprivileged.

Ways We're Working to Support Our Mission

Jack's Helping Hand: The Park Foundation is proud of our partnership with Jack's Helping Hand. Funds raised through the Park Foundation go directly towards supporting their equestrian therapy facility being built at the new Imagination Park in Nipomo.

Schooling Shows: Schooling shows hosted at the Paso Robles Horse Park are designed to provide local hunter/jumper trainers and rider access to the top-of-the-line facility in an approachable, affordable and fun environment. These shows also create a platform for additional fundraising through collaboration with competitors to grow our impact with partner non-profit organizations.

Lucy Learns to Fly: A children's book that tells the tale of a visually impaired filly that learns how to walk, run and jump. Books are offered for sale in the Horse Show office and proceeds are donated to the Vista Center for the Blind and Visually Impaired. Books may also be purchased at any time by contacting info@pasoroblesshorsepark.com.

Adirondack Chairs: At events hosted at the Paso Robles Horse Park, spectators are encouraged to grab a colorful adirondack chair to sit in while they take in the excitement. Donations collected for the use of the chairs go directly to the Foundation.
