2026 Stall Reservation Policy for Paso Park-Managed Horse Shows

Stall requests can be made by trainers or by independent riders. By completing the online form, texting 805-369-1323 or emailing stalls@pasorobleshorsepark.com to request stalls, you acknowledge that you accept the full financial responsibility of the reservations you make on your behalf individually, or on the behalf of yourself and your training clients. We strongly advise that initial reservations be completed on the stall reservation form at pasorobleshorsepark.com/stall-reservations/. Updates can be made to your reservation at any point prior to the stall confirmation deadline by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com.

As soon as possible, you will be notified by Park staff if your reservation can be accommodated or if you are on a waitlist for that show. The following outlines your financial commitment and fees related to stall reservations:

- Prior to the posted Closing Date: No financial penalties for reducing or canceling your total stall reservation.
- After entry Closing Date: You are financially responsible for the full cost of the total number of stalls most recently requested and a $50 office fee per stall reserved.

In the case that there are still stalls available after the related Closing Date of a horse show, late reservations may be made by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com. All late reservations must include a firm stall count and will have 48 hours after sending that count to make final adjustments, after that point you will fall into the financial commitments outlined above.

If your stall needs to change after that deadline you may work with other trainers to take those stalls, HOWEVER:

- Exchanges of stalls between trainers must be communicated to the Paso Park staff in writing for final approval and must include both trainers on the communication.
- Any exchanges made between trainers less than 10 days before the start of the show may not be accounted for in the stall chart.
- If there is any misunderstanding between trainers as to who is responsible for the stall cost, it will be the trainer that had them originally reserved that is ultimately financially responsible for the stalls.

If something does change please don't hesitate to reach out to us as soon as possible. In the case of a serious medical incident, a doctor's note or veterinarian's note received via email at least 48 hours in advance of the first day of scheduled competition will result in waiving the stall fees; however, the $50 office fee will still be due. The above language outlines the policy we follow, but with advanced notice, we will always try to work with trainers as best we can while maintaining a fair approach for all competitors.

REFUNDS

In the case that you will no longer be able to attend the horse show, please refer to the chart below to determine if you owe any outstanding fees or will be receiving any refunds.

We appreciate your efforts to help us be organized in preparing for the shows and allowing us to accommodate as many competitors as possible. Should an unforeseen circumstance arise, please do not hesitate to reach out to management to discuss the details and determine if an exception can be made.

CLASS SPECS

Q = GREAT AMERICAN INSURANCE/USDF QUALIFYING.

To qualify for the 2027 Great American Insurance Group/USDF Regional Dressage Championships, horse/rider combinations must earn two qualifying scores at two different USEF-licensed/USDF-recognized competitions with different judges. Qualifying classes must be at Test 3 for most levels, with specific minimum scores required for Open, Adult Amateur (AA), and Junior/Young Rider (Jr/YR). Add $20 to class fee and review membership and horse registration requirements prior to entering. Horse may enter two consecutive levels only – even if more than one rider. Horse limited to three tests per day (Intro-4th).

- Minimum Scores (Test 3):
  - Training Level: 68% (Open), 63% (AA/Jr/YR).
  - First Level: 66% (Open), 62% (AA/Jr/YR).
  - Second Level: 64% (Open), 61% (AA/Jr/YR).
  - Third/Fourth/Prix St. Georges/Intermediate I and II: 62% (Open), 60% (AA/JrYR)
  - Grand Prix: 60% (Open), 60% (AA/JrYR).
  - Freestyle Scores: 65% minimum for all levels and divisions.

FREESTYLE

Dressage musical freestyle is an exciting combination of the technical and artistic aspects of classical dressage. To foster the highest possible technical quality in freestyle performances, competitors are required to enter a freestyle class only at the level at which they have already demonstrated proficiency. A copy of the USDF score verification verifying eligibility, must be submitted with the entry for a freestyle class. Qualification of those entries will be verified by USDF. Riders receiving scores within 30 days prior to a competition may submit a copy of the test verifying eligibility. Refer to USEF Rules, DR 129.9 for details on equivalencies

General

Musical freestyle is an artistic program created by the rider to present his or her horse to its best advantage in an artistic, musical context.

• It is judged according to technical execution (execution of compulsory movements) and artistic impression (harmony, choreography, degree of difficulty, music, and interpretation).

FREESTYLE CONT.

• It is performed in a standard dressage arena (20 x 60 meters).

• A copy of the program is not submitted in advance.

• It is the responsibility of the rider to remember and execute the choreography. Should disobedience or some other issue cause a disruption in the patterns, it is the rider's responsibility to get back on course.

• Current USDF scoresheets must be used.

Time

• The maximum time limit for all USDF freestyles is five minutes. There is no minimum time requirement.

• The bell or whistle will not be sounded at the end of five minutes.

• Movements performed after the time limit has elapsed will not be scored. One (1) point will be deducted from the total for artistic impression for exceeding the time limit. A 10-second grace period should be given before a deduction is taken.

• The program is timed from the horse's move-off after the initial halt and salute and ceases at the final salute.

• The rider must signal the sound engineer within 45 seconds of the entry bell or be eliminated. The rider must enter the arena within 30 seconds of the start of the music, or they may be eliminated at the discretion of the Judge.

• Exceeding 75 seconds before entering the arena after the bell has sounded will entail elimination.

Music

• Music is mandatory.

• Exit music is not allowed.

• The music must cease at the final salute.

• DR 129: In case of rider's music failing before or during a Freestyle Test and in cases where there is no backup system, the rider can, with permission of the judge at "C", leave the arena or start at a later time. There should be minimum interference with the starting times of the other riders and the affected rider should return to complete or restart his/her test during a scheduled break in the competition or at the end of the competition. The rider may decide

CLASS SPECS

DRESSAGE SEAT EQUITATION

• Gaits shall be performed by the exhibitors simultaneously.

• Medium walk, working trot, and working canter both ways of the ring must be performed. Equitation classes may also be offered that are limited to medium walk and working trot; these walk-trot classes are not qualifying classes for the USDF Dressage Seat Medal Semi-Finals or Regional AA Finals.

• Riders must be judged at the medium walk, sitting and rising working trot, and working canter in both directions. When rising trot is requested, the rider should change the diagonal when changing directions, except during a lengthening. The correct diagonal is considered to be when the rider is sitting when the outside front foot and inside hind foot are on the ground.

• USEF DR133.4-6 states that, in judging the position, seat and use of aids, judges may include the following movements and exercises as required at Training and First Level and they may be ridden as a group:

- o Free walk
- o Transitions from one gait to the next in both directions
- o Transitions from walk to halt and vice versa
- o Change of direction across the diagonal, down the centerline, across the arena, and/orby making a half-circle at the walk or trot.

• Judges may also choose movements and exercises, as required at Training and First Level, to be ridden in small groups or independently:

- o Leg yield
- o Changes of lead through trot
- o Serpentine at the trot
- o Shallow loop serpentine in canter, maintaining lead
- o Trot lengthening and/or canter lengthening.

• Individual workout patterns are not recommended for regular DSE classes, but if used, a copy of all workout patterns, selected in advance by the judge(s), should be posted and distributed to all riders entered in the DSE class(es) at least one day prior to the class. All workout patterns require the use of a dressage arena or letters set up within an open ring.

MATERIALE

Horses will be evaluated under saddle at the walk, trot and canter in both directions of the arena. In addition, four and five year old horses may be asked to lengthen the stride at the trot and canter. If necessary, classes can be combined as follows: Three-year old fillies may be shown with four and five-year old mares, and three-year old colts and geldings may be shown with four and five-year old stallions and geldings. However, classes for fillies and mares may NOT be combined with classes for colts, geldings or stallions, and horses may NOT be asked to lengthen stride at trot or canter when three-year olds are shown together with older horses. Depending on local conditions, Materiale classes may be divided at the judge's discretion, All horses must compete together as a group in Materiale classes. Riders in any Materiale class are permitted to ride only one horse per class, including classes divided for judging purposes per USEF DR209.3. Horses must be at least 36 months of age to participate in Materiale classes. Mares may not compete under saddle or in Materiale classes after their eighth month of pregnancy or within three months after foaling. Unauthorized assistance by individuals outside the competition ring is not permitted. Horses will be evaluated according to the criteria listed on the "USDF Materiale Class" Scoresheet, and classes must be conducted according to the USDF "Procedures to Host USDF DSHB Materiale Classes".

OPPORTUNITY CLASSES

Horse, owner, rider, trainer and coach do not have to be USEF, USDF or CDS members and do not have to pay non-member fees. Opportunity classes are not eligible for USEF/USDF End of Year Awards Programs. Opportunity classes do count toward CDS Qualifying, CDS End of Year Awards, CDS RAAC Qualifying and Junior Championships, as long as CDS membership of rider and owner is current at the time that scores are earned. Horse and/or riders entered into opportunity classes may cross enter into the rated/recognized classes, but must then meet all membership requirements.

This competition is recognized by USDF for 2027

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the $5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year ($100), 5-years ($400), or life ($2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year ($80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM ($280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of $55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the $5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses ($45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of $95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR ($140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
