Park Foundation’s Programs

**Back to School Bash:** Welcoming horse lovers of all levels, the Back to School Bash features opportunities for equine fans to gain experience, fun and knowledge at the Park. Attendees are able to ride in the Park show arenas set with show-ready jumps, offered the chance to enjoy one another’s company, and given the opportunity to learn through two educational tracks focused on knowledge for people new to horses or those preparing to begin their own competition journey.

**Jack’s Helping Hand:** The Park Foundation is proud of our partnership with Jack’s Helping Hand. Funds raised through the Park Foundation go towards supporting their equestrian therapy facility being built at the new Imagination Park in Nipomo.

**Schooling Shows:** Schooling Shows hosted at the Paso Robles Horse Park are designed to provide local hunter/jumper trainers and riders access to the top-of-the-line facility in an approachable, affordable and fun environment.

**Lucy Learns to Fly:** A children’s book that tells the tale of a visually impaired filly that learns how to walk, run and jump. Books are offered for sale in the Horse Show Office and proceeds are donated to the Vista Center for the Blind and Visually Impaired. Books may also be purchased at any time by contacting info@pasorobleshorsepark.com.

**Adirondack Chairs:** At events hosted at the Paso Robles Horse Park, spectators are encouraged to grab a colorful Adirondack chair to sit in while they take in the excitement. Near the chairs, you will find a donation box. Donations collected for the use of the chairs go directly to the Foundation.
All competitors will compete in the first round over a course of at least ten fences at 3’0” in height with up to four higher height options of 3’3”-3’5”. The first round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. Once the judge’s score is given, one point will be added for each high option fence jumped.

At the conclusion of the first round, the top 10 riders will be invited back for a “pick-your-line” handy round. Riders must create and ride a course of six to eight fences, selecting the handy elements that they feel will best demonstrate the strengths of their horse. The second round will be judged on performance, hunter-pace, jumping-style, quality and substance, and movement. The course may include up to four higher height option fences of 3’3”-3’5”. All jumps, including those that were part of a high option in the first round, are considered individual fences and may be jumped as such (meaning if there was a high option for a jump in the first round, and you would normally only jump one of the options in the first round, you may jump both in the handy round and have it considered as two fences). Once the judge’s score is given, one point will be added for each high option fence jumped.

The combined score from round one and round two will determine overall score and placement in the class.

Note: Open Hunter Classic will not count for USEF points.
$2,500 Speed Stake
May 18 | October 19 | November 23

Order of go will be posted at least one hour prior to the start of the class. Competitors must appear in order of the posted order of go. All competitors must submit their bios in the horse show office by no later than Noon on the day of the class.

Competition will be held over a minimum of eight fences at a height of 1.20m. The class is judged in USEF Table III, faults converted to time.

Hunter Classics
Unless specified otherwise, the final round over fences in each section is to count as the first round of the respective Classic. All hunter rounds will be scored under the open numerical judging system. If a horse is not present for either the first or second round of a classic, that horse will receive a zero score in that round. Scores will be totaled from both the first and second round to determine the winners. All overall ties will be broken by using second round scores.
