

6 Things to Do BEFORE THE SHOW

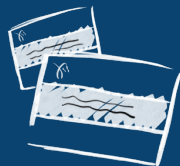

1

ARE YOU SAFE SPORT TRAINED?

All competing members **age 18 or older** must complete **SafeSport training** in order to be eligible for US Equestrian activities, including competitions. For FAQs and more about the SafeSport training, visit **US Equestrian's Safe Sport page** and scroll down to the additional resources. You can access the training via your **Member Dashboard** at www.usef.org.

2

DO YOU HAVE YOUR MEMBERSHIP CARDS READY TO GO?

Save time at the show by having a print-out or online version of your USEF or USHJA membership! Both memberships are available in your **Member Dashboard** at www.usef.org.

3

IS YOUR HORSE MICROCHIPPED?

All competing horses are required by the United States Equestrian Federation to have a **compliant ISO 11784/11785 microchip**. If your horse's microchip has not been registered yet, simply fill out and submit the **USEF Microchip Reporting form**. The Park staff is able to scan your horse to determine the microchip number associated with it if you need assistance.

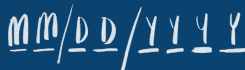

4

DID YOU PACK PROOF OF MEASUREMENT?

If you'll be showing in **height-restricted classes** and have a measurement card, put your proof of measurement somewhere where you'll be sure to take it with you to a competition, too. Remember that you also can get your horse's proof of measurement at www.usef.org. Go to your **Member Dashboard**, scroll down to My Horses, and click the ruler symbol immediately beside the horse's name.

5

IS YOUR HUNTER OR JUMPER'S AGE VERIFIED?

Planning to enter a **Young Hunter age-restricted jumper class** or participate in our new **2 EX Young Horse Program***? You'll need to have your horse or pony's age verified with USEF. To do this, you will need registration papers or a passport issued by a bred registry that is **recognized by USEF**.

**Age must be verified with USEF in order to qualify for discounted stall fees.*

6

ARE YOU #COVIDCOOL?

We are working hard to ensure a safe environment for you to compete. Help us stay **COVID Cool** and don't forget your favorite masks--fun and creative designs are encouraged. Make sure to sign all waivers before the show, including the **USEF Waiver, USEF Entry Agreement, and Park Release**.
