$2,500 Open Hunter Classic

May 28 | October 15 | November 19

All competitors will compete in the first round over a course of at least ten fences at **2'6" in height** with up to four higher height **options of 2'9"-2'11"**. The first round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. Once the judge's score is given, one point will be added for each high option fence jumped.

At the conclusion of the first round, the top 10 riders will be invited back for a "pick-your-line" handy round. Riders must **create and ride a course of six to nine fences**, selecting the handy elements that they feel will best demonstrate the strengths of their horse. The second round will be judged on performance, hunter-pace, jumping-style, quality and substance, and movement. The course may include up to four higher height option fences of 2'9"-2'11". All jumps, including those that were part of a high option in the first round, are considered individual fences and may be jumped as such (meaning if there was a high option for a jump in the first round, and you would normally only jump one of the options in the first round, you may jump both in the handy round and have it considered as two fences). Competitors will be given a blank course map at the time of the walk; they must indicate the planned second round course on this map and turn it in prior to starting their first round. The judge will be given the maps so he/she is able to determine if the competitor is completing the intended round. Once the judge's score is given, one point will be added for each high option fence jumped. All fences in the second round are to be jumped at normal canter pace unless a different gait is specifically noted on the course map.

The combined score from round one and round two will determine overall score and placement in the class.

Note: *Open Hunter Classic will not count for USEF points.*

$2,500 Speed Stake

May 29 | October 16 | November 20

Order of go will be posted at least one hour prior to the start of the class. Competitors must appear in order of the posted order of go. All competitors must submit their bios in the horse show office by no later than Noon on the day of the class.

Competition will be held over a minimum of eight fences at a height of **1.15m**. The class is judged in USEF Table III, faults converted to time.

Park Green Rider Medal
Hosted at both the Paso Robles Horse Park Schooling Show Series and the Paso Robles Horse Park B Series, the Park Green Rider Medal features fences not to exceed 2'0" in height. A minimum of two riders must complete the course in order for the round to qualify for points. The top four riders (if available) in the class may be asked to work off at the judge's discretion. Tests may include USEF medal tests 1-6, and 10-13. This class is open to all junior and amateur riders who have not competed at heights above 3'. Riders may not cross enter in the Park Medal.

Park Green Rider Medal & Park 3' Medal Finals
Finals of the Park Green Rider Medal and Park 3' Medal will be held at the Turkey Trot & Jump show. Points from shows hosting the medal between December 1 of the previous year through October 31 of the current year or at the Turkey Trot & Jump show are eligible to qualify a rider for the Finals. Points are to be awarded as follows: 1st – 7 points, 2nd – 5 points, 3rd - 4 points, 4th – 3 points, 5th – 2 points, 6th – 1 point. Riders with 7 points or more are invited to participate in the Medal Finals.

English Pleasure Hunter Seat Classes
Forward, balance seat or side saddle, snaffle bridle, pelham with two reins, kimberwicke bits or a full bridle (curb and snaffle). If a full bridle is used, it must be of hunter-style and excessive length of curb shank shall be penalized. Breast plates are permissible, but martingales are prohibited. Horses may be shown with or without braided manes and/or tails. For rider, traditional hunter-style jacket, breeches or hunter jodhpurs, dark hunting cap, derby, or protective headgear and appropriate boots. Tall dress or tall field boots are preferred as traditional. Paddock or jodhpur boots with matching half chaps are permitted although not considered as traditional. A stock, choker or four in hand with any color shirt is correct. In all classes gloves, hunter crop or bat, and spurs are optional. Riders must wear fastened protective headgear which meets or exceeds ASTM (American Society of Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag (See GR801.4) when mounted. Shadbellies are prohibited.

Rosé Hack & Splash
Held at Rosé in May each year, competitors will be given a GoVino plastic cup to hold during the class. All cups have been evenly filled with liquid. You will be worked by the judge at the walk, trot and canter. Following the flat phase, riders will be asked to line up and then will be directed by the judge to complete a line of two fences set at 2'. Any rider that does not make reasonable effort to complete the directions of the judge will be disqualified. At the completion of the class, two riders will be selected as winners in separate categories. There is a judge's choice based on ability to execute the directions of the judge and there is a winner for the competitor with the most liquid still remaining in his/her cup.

Pumpkin Power, Plop & Speed
Riders are asked to jump a course of 4 fences set at 0.70m. In between each fence, the rider must plop a piece of candy into our Jack-o-Lanterns without dropping the candy or bucket. Any fallen rails, candies, or buckets are 4 faults converted to time. The fastest time wins.

Turkey Trot Your Own Line
Held at Turkey Trot & Jump each year, this class is conducted in accordance with USEF rules JP 149.1 for Special Classes Gambler's Choice at a height of 0.70m. Following the tone from the judge, competitors will cross the indicated start line in either direction and will have 60 seconds to complete a course of their choosing in an effort to secure the greatest number of points. Obstacles will be marked on a course map with varied points available for each obstacle if cleared successfully. At the completion of the 60 seconds, the judge will sound a tone to indicate the end of the round, no jumps after the sound of the tone will be included in the competitor's score. Following the first round, the competitor must cross the finish line to stop the clock; in the case of a tied number of points, the lowest time will break the tie. Each obstacle may be jumped twice respecting the directions indicated by flags and on the map; however, jumping an obstacle that has been knocked down or more than twice will result in disqualification. There will be one "Turkey" (a.k.a. Joker) fence offered in the course that must be completed at the trot in the indicated direction; if a competitor breaks gate to the canter more than two strides in front of the Turkey fence, the points will not be counted. The competitor with the greatest number of points wins. In the event of a tie for number of points, the final time will be considered.

RULES & REGULATIONS

» All entries must be postmarked by Closing Day deadlines noted on page 4 with all required numbers and signatures to receive early entry status.

» **Late Fee** – Entries received after Closing Day will be charged a $50 office fee.

» **Payment** – All payments should be paid by credit card, cash, or check made payable to Paso Robles Horse Park Foundation. Any checks returned by the bank will be charged a $50 penalty or 10% of the face value of the check, whichever is greater.

» **Open Balances** – Competitors who do not come into the office to close out at the end of the show forfeit the right to adjustments on any show charges. Final balances will be automatically charged to the payment method on file.

» **Past Credits/Balances** – Competitors may be notified of any previous Park activity at the time of check-in. Outstanding balances must be paid prior to picking up show numbers. Outstanding balances may be deducted from prize money payments.

» **Trainer Splits** – Trainers may choose to add tack/grooming, feed and bedding orders, RV reservations, competitor show expenses, or any other miscellaneous show purchases to their "trainer splits." Trainers have until 5 p.m. on Friday of the show to complete the trainer split form indicating which competitor accounts to apply the division of expenses to and how to apply the division. If they do not complete this form by the deadline, the office may charge the full amount to the trainer's payment on file. It is fully and solely the trainer's responsibility to indicate what items are applicable to the split and how it should be applied. By completing and submitting your entry form with the indicated trainer's name on it, you accept the responsibility to accept any assigned splits from that trainer for all costs related to the show you are entering. The horse show management is not able to intervene in a trainer's direction of how to assign those expenses.

» **Same Day Entry & Scratch Fees** – Any same day adds or scratches will be charged a late entry fee of $5 per transaction. Once the class has begun a competitor cannot add or scratch from that class unless exception is made by management.

» **Refunds** – Past the closing dates on page 4, show scratches will require a note from either a doctor or veterinarian explaining the reason the competitor or horse cannot compete, acceptable at management's discretion. A competitor may replace one entry with another horse. If no replacement is made or note is received, competitors are responsible for the full stall fees and a $50 office fee. Stalls are non-refundable. In all cases, a $50 office charge will still be applicable.

By competing at or attending competitions at the Paso Robles Horse Park you authorize any surveillance of your activities while on the premises. The Paso Robles Horse Park is responsible for the management of the surveillance system and has exclusive control of the release of video/audio/images.

Due to the unpredictable nature of the industry, stall assignments aren't finalized until 72 hours before the first day of competition. We do our best to accommodate all requests, but are constrained by various factors. On-site (permanent) stalls are assigned based on previous attendance at Park-managed shows, barn size, and our ability to maximize the use of these stalls. We will notify trainers as soon as possible if a barn can be placed in the on-site stalls; however, no barn should assume they will be placed in the on-site stalls until notified.

» **Show Scratches** – Up until the published closing entry date or 24 hours after the announcement that a show has sold out, whichever comes first, you may make changes to or cancel your entries and related stall reservations. After that point you are fully responsible for the stall fee related to each specific horse's entry and a $50 office fee. For more information on refunds and show scratches, refer to page 5 of this prize list.

IMPORTANT POLICIES OF THE SHOW

Adds & Scratches Due By 5:00pm Daily

Any changes made after 5 p.m., if accepted, will be considered SAME DAY and will fall under the policy for same day adds and scratches. There will be a $5 per transaction fee for late entries and scratches.

Canceling And Combining Of Classes
Classes with less than the entry minimums may be either canceled or combined with other classes, at management's discretion. Often this is determined at 5 p.m. the day prior to the class. Please enter in all your desired classes by 5 p.m. the day before.

Scratch Your Classes BEFORE They Start
Be sure to stop by the Horse Show Office to scratch any classes you have entered that you won't be showing in BEFORE the start of the class. If you don't scratch them at all, or try to scratch them after the class has started, you will be charged the full entry fee.

OUTREACH EDUCATION HOUR

All Outreach riders are invited to our Outreach Education Hour each Saturday evening and the close of Oak Grove Arena. We are excited to offer a chance to sit down with USEF Judge James Waldman for feedback on their rounds that day and opportunities for improvement on their Sunday rounds.

ABOUT THE JUDGE

James serves on the USHJA Zone 10 Committee, the USHJA Adult Horsemanship Committee, and as President of the Greater San Diego Hunter Jumper Association.

Over the years, he has judged various Medal Finals including Orange County, Santa Barbara, Los Angeles IEL, Legis, Boise, Tuscan and the 2020 CPHA Foundation Finals. He currently travels as a clinicion and "R" USEF Judge.
