## **STALL RESERVATIONS**

### **2023 Stall Reservation Policy for all Paso Park-Managed Horse Shows**

Stall reservation for the 2023 September - November horse shows will open at 9 a.m. PST on Thursday, June 15, 2023.

Please submit and modify stall reservations through eq.Metrik.com. By completing a reservation you acknowledge that you accept the full financial responsibility of the reservations you make on your behalf individually, or on the behalf of yourself and your training clients. Stall reservations and information can be found at [pasorobleshorsepark.com/2023stall-reservations/](https://pasorobleshorsepark.com/2023stall-reservations/). Updates can be made to your reservation at any point prior to the stall confirmation deadline by logging into your eq.Metrik account, by texting (805) 369-1323 or by emailing [stalls@pasorobleshorsepark.com](mailto:stalls@pasorobleshorsepark.com).

By the related stall confirmation deadline for each show, you will be notified if your reservation can be accommodated or if you are on a waitlist for that show. The following outlines your financial commitment and fees related to stall reservations:

- Prior to the stall confirmation deadline: No financial penalties for reducing or canceling your total stall reservation
- The stall confirmation deadline through the entry closing date: You are financially responsible for the full cost of the total number of stalls most recently requested.
- After entry closing date: You are financially responsible for the full cost of the total number of stalls most recently requested and a \$50 office fee per stall reserved.

If your stall needs change after that deadline you may work with other trainers to take those stalls, HOWEVER:

- Exchanges of stalls between trainers must be communicated to the Paso Park staff in writing for final approval and must include both trainers on the communication
- Any exchanges made between trainers less than 10 days before the start of the show may not be accounted for in the stall chart
- If there is any misunderstanding between trainers as to who is responsible for the stall cost, it will be the trainer that had them originally reserved that is ultimately responsible for the stalls

If something does change please don't hesitate to reach out to us as soon as possible. The above language outlines the policy we follow, but with advanced notice, we will always try to work with trainers as best we can while maintaining a fair approach for all competitors.

## REFUNDS

In the case that you will no longer be able to attend the horse show, please refer to the chart below to determine if you owe outstanding fees or will be receiving refunds.

We appreciate your efforts to help us be organized in preparing for the shows allowing us to accommodate as many competitors as possible. Should an unforeseen circumstance arise, please do not hesitate to reach out to management to discuss the details and determine if an exception can be made.

## SPECIAL CLASSES

# \$2,500 Open Hunter Classic

October 13 | November 17

All competitors will compete in the first round over a course of at least ten fences at **2'6" in height** with up to four higher height **options of 2'9"-2'11"**. The first round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. Once the judge's score is given, one point will be added for each high option fence jumped.

At the conclusion of the first round, the top 10 riders will be invited back for a "pick-your-line" handy round. Riders must **create and ride a course of six to nine fences**, selecting the handy elements that they feel will best demonstrate the strengths of their horse. The second round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. The course may include up to four higher height option fences of 2'9"-2'11". All jumps, including those that were part of a high option in the first round, are considered individual fences and may be jumped as such (meaning if there was a high

option for a jump in the first round, and you would normally only jump one of the options in the first round, you may jump both in the handy round and have it considered as two fences). Competitors will be given a blank course map at the time of the walk; they must indicate the planned second round course on this map and turn it in prior to starting their first round. The judge will be given the maps so he/she is able to determine if the competitor is completing the intended round. Once the judge's score is given, one point will be added for each high option fence jumped. All fences in the second round are to be jumped at normal canter pace unless a different gait is specifically noted by the course designer on the course map.

The combined score from round one and round two will determine overall score and placement in the class.

**Note:** *Open Hunter Classic will not count for USEF points.*

## SPECIAL CLASSES

# \$2,500 Speed Stake

October 14 | November 18

Order of go will be posted at least one hour prior to the start of the class. Competitors must appear in order of the posted order of go. All competitors must submit their bios in the horse show office by no later than Noon on the day of the class.

Competition will be held over a minimum of eight fences at a height of **1.15m**. The class is judged in USEF Table III, faults converted to time.

## **IMPORTANT POLICIES OF THE SHOW**

### **Adds & Scratches Due By 5 p.m. Daily**

All changes for the next day, including adds and scratches, must be made by 5 p.m. each day in the office. This allows the next day's schedule to be created with class counts and times, and made available to everyone in a timely manner. These shows allow same-day adds as long as the schedule in each ring allows for such. Any changes made after 5 p.m., if accepted, will be considered SAME DAY and will fall under the policy for same day adds and scratches. There will be a \$5 per transaction fee for late entries and scratches.

### **Same-Day Ads & Scratches**

Any same day adds or scratches must first be done at the show office. Once add/scratch forms are completed with office, slips must be brought to the backgate. If any same day scratches are not done in the office before the start of the class, that class will not be removable from the show bill.

### **Canceling & Combining Of Classes**

Classes with less than the entry minimums may be either canceled or combined with other classes, at management's discretion. Often this is determined at 5 p.m. the day prior to the class. Please enter in all your desired classes by 5 p.m. the day before.

### **Scratch Your Classes BEFORE They Start**

Be sure to stop by the Horse Show Office or utilize [horseshowing.com](http://horseshowing.com) to scratch any classes you have entered that you won't be showing in BEFORE the start of the class. If you don't scratch them at all, or try to scratch them after the class has started, you will be charged the full entry fee.

### **Posted Time Schedule**

The most accurate estimation of the daily time schedule will be completed after adds and scratches have been entered. We strive to post this schedule by 7 p.m. the day prior. The schedule can be found at [www.PasoRoblesHorsePark.com/Daily-Show-Schedule](http://www.PasoRoblesHorsePark.com/Daily-Show-Schedule).

# OUTREACH EDUCATION HOUR

All Outreach riders are invited to our Outreach Education Hour each Saturday evening at the close of Oak Grove Arena. We are excited to offer a chance to sit down with USEF Judge James Waldman for feedback on their rounds that day and opportunities for improvement on their Sunday rounds.

## ABOUT THE JUDGE

James Waldman has been training and judging in California since 1989. In 2004, he became the owner and head trainer at Quail Haven Farm in Bonsall. James serves on the USHJA Zone 10 Committee, the USHJA Adult Horsemanship Committee, and as President of the Greater San Diego Hunter Jumper Association.

Over the years, he has judged various Medal Finals including Orange County, Santa Barbara, Los Angeles IEL, Legis, Boise, Tuscan, and the 2020 CPHA Foundation Finals. He currently travels as a clinician and "R" USEF Judge.
