2023 Stall Reservation Policy for all Paso Park-Managed Horse Shows

Stall reservations for the 2023 September - November horse shows will open at 9 a.m. PST on Thursday, June 15, 2023.

Please submit and modify stall reservations through eq.Metrik.com. By completing a reservation you acknowledge that you accept the full financial responsibility of the reservations you make on your behalf individually, or on the behalf of yourself and your training clients. Stall reservation and information can be found at pasorobleshorsepark.com/2023stall-reservations/. Updates can be made to your reservation at any point prior to the stall confirmation deadline by texting 805-369-1338, by logging onto your eq.Metrik.com or by emailing stalls@pasorobleshorsepark.com.

By the related stall confirmation deadline for each show, you will be notified if your reservation can be accommodated or if you are on a waitlist for that show. The following outlines your financial commitment and fees related to stall reservations:

- Prior to the stall confirmation deadline: No financial penalties for reducing or canceling your total stall reservation.
- The stall confirmation deadline through the entry closing date: You are financially responsible for the full cost of the total number of stalls most recently requested.
- After entry closing date: You are financially responsible for the full cost of the total number of stalls most recently requested and a \$50 office fee per stall reserved.

In the case that there are still stalls available after the related stall confirmation of a horse show, late reservations may be made by texting (805) 369-1323 or by emailing stalls@pasorobleshorsepark.com. All late reservations must include a firm stall count and will have 48 hours after sending that count to make final adjustments, after that point you will fall into the financial commitments outlined above.

If your stall needs change after that deadline you may work with other trainers to take those stalls, HOWEVER:

- Exchanges of stalls between trainers must be communicated to the Paso Park staff in writing for final approval and must include both trainers on the communication.
- Any exchanges made between trainers less than 10 days before the start of the show may not be accounted for in the stall chart.
- If there is any misunderstanding between trainers as to who is responsible for the stall cost, it will be the trainer that had them originally requested that is ultimately responsible for the stalls.

If something does change please don't hesitate to reach out to us as soon as possible. In the case of a serious medical incident, a doctor's note or veterinarian's note received via email at least 48 hours in advance of the first day of scheduled competition may result in waived stall fees; however, the office fee will still be due. The above language outlines the policy we follow, but with advanced notice, we will always try to work with trainers as best we can while maintaining a fair approach for all competitors.

Entries: Entries received or postmarked after the entries close date including those made on the days of the show, will be charged a \$50/horse late fee.

Adds and scratches may be made at the back gate of the ring running the class on Saturdays only. Classes scratched at the horse show office prior to the start of the class will receive a full refund. Adds or scratches made at the back gate will be charged \$10/class office fee. Classes that are not scratched will be charged at full price. It is the responsibility of the rider and trainer to ensure the classes entered are correct.

Payment: All payments should be paid by credit card, cash, or check made payable to Paso Robles Horse Park Foundation. Any checks returned by the bank will be charged a \$50 penalty, or 10% of the face value, whichever is greater.

Open Balances: Competitors who do not come into the office to close out at the end of the show forfeit the right to make adjustments on any show charges. Final balances will be automatically charged to the payment method on file.

Credits/Balances: Competitors may be notified of any previous credits or balances from previous Paso Park activity at the time of check-in. Outstanding balances must be paid prior to picking up show numbers. Outstanding balances may be deducted from prize money payments. Outstanding balances may prevent a trainers eligibility to reserve stalls.

Schedule: The schedule indicated in this prize list is tentative. Based on entry numbers and other real-time factors, schedules may be updated at anytime leading up to the show. The most accurate estimated schedule is posted by 8pm at PasoRoblesHorsePark.com/daily-show-schedule the day prior. Any rounds not complete by 10 minutes before the posted time of the following class/activity may potentially receive a two-minute gate call and not have the opportunity to compete.

Management Rights: Management reserves the right to refuse, accept conditionally, or cancel entries, awards, or prizes, and/or adjust the time schedule, combine, scratch, or move classes as necessary without claims or damage. A two-minute gate call will be requested and enforced. All judge's decisions are final.

Helmets: All professionals and non-professionals riding on the Paso Park property must wear securely fastened protective headgear, which meets ASTM/SEI standards and carries the SEI tag. Any rider violating this rule at any time will immediately be prohibited from further riding until such headgear is properly in place.

Early Arrivals: Those traveling from farther away may request an early arrival to be granted at management's discretion. Early arrivals open on Thursday at noon early arrivals or late departures will be charged \$25 per stall per night.

Feed & Shavings: The Paso Robles Horse Park Feed Office will be open during show dates, and will be offering hay and shavings. Alfalfa, orchard, timothy hay, and bagged shavings will be available. For advance orders please email feed@pasorobleshorsepark.com or complete the form found under the [Competitor Resources](#) page on the Paso Park website. Orders can be made at the show in the office. Competitors may bring their own feed and bedding but they may not receive a feed or bedding delivery from an outside company.

Non-competing Horses: Due to limited availability at these shows, all horses on the grounds must be competing. If circumstances allow and non-competing horses are permitted with management's permission, a non-showing fee of \$50 per horse will apply. To be considered a competing horse, an entry must be shown in a judgement class.

RV Parking & Hookups: 52 RV parking spots with water and power hookups are available for rental. A flat fee of \$150 will be charged. Additionally, in compliance with the City of Paso Robles an additional 14.5% will be collected to pay T.O.T. and tourism assessments.
