2024 Stall Reservation Policy for Paso Park-Managed Horse Shows

Stall requests can be made by trainers or by independent riders. By completing the online form, texting 805-369-1323 or emailing stalls@pasorobleshorsepark.com to request stalls, you acknowledge that you accept the full financial responsibility of the reservations you make on your behalf individually, or on the behalf of yourself and your training clients. We strongly advise that initial reservations be completed on the stall reservation form at pasorobleshorsepark.com/stall-reservations/. Updates can be made to your reservation at any point prior to the stall confirmation deadline by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com.

As soon as possible, you will be notified by Park staff if your reservation can be accommodated or if you are on a waitlist for that show. The following outlines your financial commitment and fees related to stall reservations:

- Prior to the posted [Closing Date](#): No financial penalties for reducing or canceling your total stall reservation.
- After entry [Closing Date](#): You are financially responsible for the full cost of the total number of stalls most recently requested and a \$50 office fee per stall reserved.

In the case that there are still stalls available after the related Closing Date of a horse show, late reservations may be made by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com. All late reservations must include a firm stall count and will have 48 hours after sending that count to make final adjustments, after that point you will fall into the financial commitments outlined above.

If your stall needs to change after that deadline you may work with other trainers to take those stalls, HOWEVER:

- Exchanges of stalls between trainers must be communicated to the Paso Park staff in writing for final approval and must include both trainers on the communication.
- Any exchanges made between trainers less than 10 days before the start of the show may not be accounted for in the stall chart.
- If there is any misunderstanding between trainers as to who is responsible for the stall cost, it will be the trainer that had them originally reserved that is ultimately financially responsible for the stalls.

If something does change please don't hesitate to reach out to us as soon as possible. In the case of a serious medical incident, a doctor's note or veterinarian's note received via email at least 48 hours in advance of the first day of scheduled competition will result in waiving the stall fees; however, the \$50 office fee will still be due. The above language outlines the policy we follow, but with advanced notice, we will always try to work with trainers as best we can while maintaining a fair approach for all competitors.

REFUNDS

In the case that you will no longer be able to attend the horse show, please refer to the chart below to determine if you owe any outstanding fees or will be receiving any refunds.

We appreciate your efforts to help us be organized in preparing for the shows and allowing us to accommodate as many competitors as possible. Should an unforeseen circumstance arise, please do not hesitate to reach out to management to discuss the details and determine if an exception can be made.

RULES & REGULATIONS

The following rules and regulations will be enforced throughout the duration of the show and apply to all competitors and riders on the property:

Class Fees: Classes will be charged at \$20/class. The leadline and warm-ups are exceptions.

Entries: Entries received or postmarked after the entries close date including those made on the days of the show, will be charged a \$50/horse late fee.

Adds & Scratches: Adds and scratches may be made onsite at the show as long as they are completed prior to the start of the related class. Adds and scratches may be made at the back gate of the ring running the class on Saturdays only. Classes scratched at the horse show office prior to the start of the class will receive a full refund. Adds or scratches made at the back gate will be charged \$10/class office fee. Classes that are not scratched will be charged at full price. It is the responsibility of the rider and trainer to ensure the classes entered are correct.

Payment: All payments should be paid by credit card, cash, or check made payable to Paso Robles Horse Park Foundation. Any checks returned by the bank will be charged a \$50 penalty, or 10% of the face value, whichever is greater. Payments made by check or cash will receive a \$10 voucher for credit towards Paso Park Merchandise.

Open Balances: Competitors who do not come into the office to close out at the end of the show forfeit the right to make adjustments on any show charges. Final balances will be automatically charged to the payment method on file.

Credits/Balances: Competitors may be notified of any previous credits or balances from previous Paso Park activity at the time of check-in. Outstanding balances must be paid prior to picking up show numbers. Outstanding balances may be deducted from prize money payments. Outstanding balances may prevent a trainer's eligibility to reserve stalls. Competitors that fail to submit a valid form of payment for the full amount of their show bill by 5 pm on Sunday of the show week will be charged a \$50 office fee.

Schedule: The schedule indicated in this prize list is tentative. Based on entry numbers and other real-time factors, schedules may be updated at anytime leading up to the show. The most accurate estimated schedule is posted by 8pm at PasoRoblesHorsePark.com/daily-show-schedule the day prior. Any rounds not complete by 10 minutes before the posted time of the following class/activity may potentially receive a two-minute gate call and not have the opportunity to compete.

Trainer Splits: Trainers may choose to add tack/grooming, feed and bedding orders, RV reservations, competitor show expenses, or any other miscellaneous show purchases to their "trainer splits." Trainers have until

5 p.m. on Friday of the show to complete the trainer split form indicating which competitor accounts to apply the division of expenses to and how to apply the division. If they do not complete this form by the deadline, the office may charge the full amount to the trainer's payment on file. It is fully and solely the trainer's responsibility to indicate what items are applicable to the split and how it should be applied. By completing and submitting your entry form with the indicated trainer's name on it, you accept the responsibility to be financially responsible for any assigned splits from that trainer for all costs related to the show you are entering. The horse show management is not able to intervene in a trainer's direction of how to assign those expenses.

Management Rights: Management reserves the right to refuse, accept conditionally, or cancel entries, awards, or prizes, and/or adjust the time schedule, combine, scratch, or move classes as necessary without claims or damage. A two-minute gate call will be requested and enforced. All judge's decisions are final.

Helmets: All professionals and non-professionals riding on the Paso Park property must wear securely fastened protective headgear, which meets ASTM/SEI standards and carries the SEI tag. Any rider violating this rule at any time will immediately be prohibited from further riding until such headgear is properly in place.

Stall Use: A flat fee of \$95/stall will be charged for each stall, tack room, and/or grooming stall reserved. This fee grants access to a reserved stall beginning on Friday at Noon through Sunday at the conclusion of the show. Stalls are 12'x12' and will be assigned by management.

Early Arrivals: Those traveling from farther away may request an early arrival to be granted at management's discretion. Early arrivals open on Thursday at noon early arrivals or late departures will be charged \$25 per stall per night.

Feed & Shavings: The Paso Robles Horse Park Feed Office will be open during show dates, and will be offering hay and shavings. Alfalfa, orchard, timothy hay, and bagged shavings will be available. For advance orders please email feed@pasorobleshorsepark.com or complete the form found under the [Competitor Resources](#) page on the Paso Park website. Orders can be made at the show in the office. Competitors may bring their own feed and bedding but they may not receive a feed or bedding delivery from an outside company.

Non-Competing Horses: Due to limited availability at these shows, all horses on the grounds must be competing. If circumstances allow and non-competing horses are permitted with management's permission, a non-showing fee of \$50 per horse will apply. To be considered a competing horse, an entry must be shown in a judgement class.

RV Parking & Hookups: 52 RV parking spots with water and power hookups are available for rental. A flat fee of \$150 will be charged. Additionally, in

compliance with the City of Paso Robles an additional 14.5% will be collected to pay T.O.T. and tourism assessments. This will grant access to the spot beginning at noon on Friday through Sunday at the conclusion of the show. All RV reservations will be filled on a first come, first served basis. Early arrivals or late departures will be charged an additional \$25/RV space.

Refunds: At management's discretion, entry fees will be refunded in full, less a \$50 office charge, with a veterinary certificate or medical doctor's note submitted at least 48 hours prior to the start of the show's first judged class. Please refer to the refund information on page 6 to determine if you are eligible for a refund.

In the case of flat classes, each section will be admitted separately by the back gate or split once in the ring by the judge. In the case of classes over fences, a "California Split" may be used to award multiple sets of placings.

Non-Comp/Hor Concours Rounds: Permitted only at manager's discretion. Rounds will be charged at \$20/round.
