2025 Stall Reservation Policy for Paso Park-Managed Horse Shows

Stall requests can be made by trainers or by independent riders. By completing the online form, texting 805-369-1323 or emailing stalls@pasorobleshorsepark.com to request stalls, you acknowledge that you accept the full financial responsibility of the reservations you make on your behalf individually, or on the behalf of yourself and your training clients. We strongly advise that initial reservations be completed on the stall reservation form at pasorobleshorsepark.com/stall-reservations/. Updates can be made to your reservation at any point prior to the stall confirmation deadline by texting (805) 369-1323 or by emailing stalls@pasorobleshorsepark.com.

As soon as possible, you will be notified by Park staff if your reservation can be accommodated or if you are on a waitlist for that show. The following outlines your financial commitment and fees related to stall reservations:

- Prior to the posted [Closing Date](#): No financial penalties for reducing or canceling your total stall reservation.
- After entry [Closing Date](#): You are financially responsible for the full cost of the total number of stalls most recently requested and a \$50 office fee per stall reserved.

In the case that there are still stalls available after the related Closing Date of a horse show, late reservations may be made by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com. All late reservations must include a firm stall count and will have 48 hours after sending that count to make final adjustments, after that point you will fall into the financial commitments outlined above.

If your stall needs to change after that deadline you may work with other trainers to take those stalls, HOWEVER:

- Exchanges of stalls between trainers must be communicated to the Paso Park staff in writing for final approval and must include both trainers on the communication.
- Any exchanges made between trainers less than 10 days before the start of the show may not be accounted for in the stall chart.
- If there is any misunderstanding between trainers as to who is responsible for the stall cost, it will be the trainer that had them originally reserved that is ultimately financially responsible for the stalls.

If something does change please don't hesitate to reach out to us as soon as possible. In the case of a serious medical incident, a doctor's note or veterinarian's note received via email at least 48 hours in advance of the first day of scheduled competition will result in waiving the stall fees; however, the \$50 office fee will still be due. The above language outlines the policy we follow, but with advanced notice, we will always try to work with trainers as best we can while maintaining a fair approach for all competitors.

REFUNDS

In the case that you will no longer be able to attend the horse show, please refer to the chart below to determine if you owe any outstanding fees or will be receiving any refunds.

We appreciate your efforts to help us be organized in preparing for the shows and allowing us to accommodate as many competitors as possible. Should an unforeseen circumstance arise, please do not hesitate to reach out to management to discuss the details and determine if an exception can be made.

RULES & REGULATIONS

The following rules and regulations will be enforced throughout the duration of the show and apply to all competitors and riders on the property:

Class Fees: Classes will be charged at \$20/class. Dressage tests range from \$40-\$50/test. The leadline and warm-ups classes are exceptions.

Entries: Entries received or postmarked after the entry close date including those made on the days of the show, will be charged a \$50/horse late fee. No dressage late entries will be accepted after 5 p.m. the Thursday prior to competition start.

Hunter/Jumper Adds & Scratches: Adds and scratches may be made onsite at the show as long as they are completed prior to the start of the related class. Adds and scratches may be made at the back gate of the ring running the class on Saturdays only. Classes scratched at the horse show office prior to the start of the class will receive a full refund. Adds or scratches made at the back gate will be charged a \$10/class office fee. Classes that are not scratched will be charged at full price. It is the responsibility of the rider and trainer to ensure the classes entered are correct.

Payment: All payments should be paid by credit card, cash, or check made payable to Paso Robles Horse Park Foundation. Any checks returned by the bank will be charged a \$50 penalty, or 10% of the face value, whichever is greater. Payments made by check or cash will receive a \$10 voucher for credit towards Paso Park Merchandise.

Open Balances: Competitors who do not come into the office to close out at the end of the show forfeit the right to make adjustments on any show charges. Final balances will be automatically charged to the payment method on file.

Credits/Balances: Competitors may be notified of any previous credits or balances from previous Paso Park activity at the time of check-in. Outstanding balances must be paid prior to picking up show numbers. Outstanding balances may be deducted from prize money payments. Outstanding balances may prevent a trainer's eligibility to reserve stalls. Competitors that fail to submit a valid form of payment for the full amount of their show bill by 5 pm on Sunday of the show week will be charged a \$50 office fee. If a balance remains unpaid for more than 30 days the office may require a \$500 deposit payment prior to processing future entries.

Stall Use: A flat fee of \$95/stall will be charged for each stall, tack room, and/or grooming stall reserved. This fee grants access to a reserved stall beginning on Friday at Noon through Sunday at the conclusion of the show. Stalls are 12'x12' and will be assigned by management.

Haul-Ins: While we don't encourage haul-ins, we have worked to keep our stall fees at a rate that is comparable to most shows' total haul-in + facility fee. The \$95 stall fee allows you to come and go as needed and provides a safe, organized place to prepare for your ride.

Trainer Splits: Trainers may choose to add tack/grooming, feed and bedding orders, RV reservations, competitor show expenses, or any other miscellaneous show purchases to their "trainer splits." Trainers have until 5 p.m. on Friday of the show to complete the trainer split form indicating which competitor accounts to apply the division of expenses to and how to apply the division. If they do not complete this form by the deadline, the office may charge the full amount to the trainer's payment on file. It is fully and solely the trainer's responsibility to indicate what items are applicable to the split and how it should be applied. By completing and submitting your entry form with the indicated trainer's name on it, you accept the responsibility to be financially responsible for any assigned splits from that trainer for all costs related to the show you are entering. The horse show management is not able to intervene in a trainer's direction of how to assign those expenses.

Management Rights: Management reserves the right to refuse, accept conditionally, or cancel entries, awards, or prizes, and/or adjust the time schedule, combine, scratch, or move classes as necessary without claims or damage. A two-minute gate call may be requested and enforced. All judge's decisions are final.

Helmets: All professionals and non-professionals riding on the Paso Park property must wear securely fastened protective headgear, which meets ASTM/SEI standards and carries the SEI tag. Any rider violating this rule at any time will immediately be prohibited from further riding until such headgear is properly in place.

Early Arrivals: Those traveling from farther away may request an early arrival to be granted at management's discretion. Early arrivals open on Thursday at noon early arrivals or late departures will be charged \$25 per stall per night.

Feed & Shavings: The Paso Robles Horse Park Feed Office will be open during show dates and will be offering hay and shavings. Alfalfa, orchard, timothy hay, and bagged shavings will be available. For advance orders please email feed@pasorobleshorsepark.com or complete the form found under the [Competitor Resources](#) page on the Paso Park website. Orders can be made at the show in the office. Competitors may bring their own feed and bedding but they may not receive a feed or bedding delivery from an outside company.

Non-Competing Horses: Due to limited availability at these shows, all horses on the grounds must be competing. If circumstances allow and non-competing horses are permitted with management's permission, a non-showing fee of \$50 per horse will apply. To be considered a competing horse, an entry must be shown in a judged class.

RV Parking & Hookups: 52 RV parking spots with water and power hookups are available for rental. A flat fee of \$150 will be charged. Additionally, in compliance with the City of Paso Robles an additional 14.5% will be collected to pay T.O.T. and tourism assessments. This will grant access to the spot beginning at noon on Friday through Sunday at the conclusion of the show. All RV reservations will be filled on a first come, first served basis. Early arrivals or late departures will be charged an additional \$25/RV space.

Refunds: At management's discretion, entry fees will be refunded in full, less a \$50 office charge, with a veterinary certificate or medical doctor's note submitted at least 48 hours prior to the start of the show's first judged class. Please refer to the refund information on page 6 to determine if you are eligible for a refund.

Schooling: No juniors or amateurs are allowed to school over fences without their trainer in the area.

Lunging: Lunging in the designated lunging areas will be permitted on Friday between Noon and 6 p.m., and again on Saturday and Sunday, during daylight hours. Any lunging taking place in the GGT warm-up or competition arenas will result in a \$500 fine.

Warm-Ups: \$10 warm-up rounds will be available on Friday. Rounds are three (3) minutes long. Additionally, a \$10 warm-up class will be offered Saturday in each ring in a progressive height format. These classes will utilize set courses. Please note, warm-up closing times will be posted at back gates and strictly enforced.

Competition Attire: All riders must be in appropriate attire, which consists of a hunt coat, a shirt with collar, breeches, and tall boots or boots and half chaps or jodhpurs.

General Comment on Attire: The hunter/jumper sport is one based in tradition. We ask that as you make decisions related to attire and equipment you take this into consideration. Management reserved the right to disqualify any competitor from being judged or riding if a lack of consideration for appropriate attire seems apparent.

Hunter Equipment: Horses shown in hunter classes must have the proper equipment. Equipment requirements include: if a martingale is used, only a standing martingale is permitted, no figure-eight or dropped nosebands, and no horse boots. No martingales are allowed in flat classes.

Equitation Equipment: Horses shown in equitation classes must have the proper equipment. Equipment requirements include: if a martingale is used, a standing, running, or German martingale is permitted; at 1.20m and above only running martingales are permitted. USEF-approved horse boots are permitted on both front and hind.

Photo and Video Consent: By competing at or attending competitions or events at the Paso Robles Horse Park, you grant permission to the unrestricted rights to use photographs and/or video footage of yourself, your family, your guests, and/or your animal for the purpose of promotion of the Paso Park in various mediums.

Draw lines: No draw lines allowed in the show ring or to school over fences.

Awards and Prizes: Ribbons will be awarded in all classes 1st - 6th. Prizes will be available to 1st in each class. Ribbons and prizes can be collected at Celebration Station.

Trainers: No trainers are allowed on foot in the show ring during competition.

Professionals: Professionals may only ride in open division classes. Any professionals riding in classes designated for Jr/Am will be disqualified for the remainder of the day.

Class Splits: At the discretion of the judge or show management, a class may be split into multiple sections. In the case of flat classes, each section will be admitted separately by the back gate or split once in the ring by the judge. In the case of classes over fences, a "California Split" may be used to award multiple sets of placings.

Non-Comp/Hor Concours Rounds: Permitted only at manager's discretion. Rounds will be charged at \$20/round.

Trailer Parking: All trailers must be parked in the designated trailer parking lot near the entrance of the Paso Park. Any trailer not parked in the correct location may have its hitch locked and may be applicable to a \$50 fee.

Dues & Memberships: No dues or membership fees are required.

Schedule: The schedule indicated in this prize list is tentative. Based on entry numbers and other real-time factors, schedules may be updated at any time leading up to the show. The most accurate estimated schedule is posted by 8 pm at PasoRoblesHorsePark.com/daily-show-schedule the day prior. Any rounds not complete by 10 minutes before the posted time of the following class/activity may potentially receive a two-minute gate call and not have the opportunity to compete.

Private Facility: This is a privately owned and operated facility. Any horse on the grounds must be associated with and entered into the current competition taking place. Cases of exception, including utilizing the facility to transfer shipping horses, must be approved through show management.

Cell Phones: Active use of cell phones or cellular transmission devices is not permitted in any competition or warm-up arena.

Remount: Riders are not allowed to mount or remount their horse from within the show ring for any reason during competition.

Vaccinations and Horse Health: Per GR845 Equine Vaccination Rule: At Federation-licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Competitors may be asked to provide proof of vaccination upon check-in or prior to entering the property. All horses on the facility must have their temperature monitored twice daily for the 72 hours prior to their arrival and throughout the duration of their stay at the Paso Park. Any horse exhibiting a temperature over 101.5o F must be reported to management immediately.

Discrepancies and/or Billing Errors: The show office is open and available until the completion of the last class on Sunday. If after "closing out" with the office a billing discrepancy is noted, competitors have 72 hours after the end of the show to send email communication to office@pasorobleshorsepark.com to begin rectifying the issue. After that point, any billing not in open discussion will be final.

PASO ROBLES HORSE PARK LLC & FOUNDATION RELEASE, ASSUMPTION OF RISK, WAIVER, AND INDEMNIFICATION

RELEASE OF LIABILITY, ASSUMPTION OF RISK, WAIVER, AND INDEMNIFICATION AGREEMENT

- Please note that every person must sign and submit this form and a USEF Waiver and Release of Liability prior to entering onto the Paso Robles Horse Park (the "Park") property.
- To expedite the entry process, please submit both waivers for all members of your group (parents, grooms, etc.) with the event entry form.

THIS DOCUMENT WAIVES IMPORTANT LEGAL RIGHTS. READ IT CAREFULLY BEFORE SIGNING.

1. Consideration & Acknowledgment of Risk. In consideration for being permitted to participate in equestrian activities, including but not limited to competitions, training, riding, handling, and any related events at the Park, I, the undersigned, acknowledge and agree as follows:

a. I understand and acknowledge that equestrian activities are inherently dangerous and involve significant risks of serious bodily injury, illness (including communicable diseases), permanent disability, paralysis, or death to myself, my horse(s), and others. I further acknowledge that these risks include, but are not limited to, falls, collisions, unpredictable animal behavior, equipment failure, and the negligence of other participants, spectators, and event organizers.

b. I represent that I have the necessary training, experience, and physical ability to participate safely and that I will comply with all rules and regulations of the Paso Robles Horse Park Foundation (the "Foundation"), Paso Robles Horse Park, LLC ("PHRP"), and any governing equestrian bodies.

2. Waiver and Release of Liability. To the fullest extent permitted by law, I voluntarily release, waive, and discharge the Park, the Foundation, PHRP, and their respective officers, directors, managers, employees, agents, volunteers, affiliated organizations, insurers, sponsors, and vendors (collectively, the "Released Parties") from any and all claims, demands, causes of action, liabilities, costs, or expenses, including attorney's fees, arising out of or related to any injury, death, or property damage that I, my horse(s), or my guests may suffer while at the Park, whether caused by the negligence of the Released Parties or otherwise.

3. Express Assumption of Risk. I voluntarily assume all risks of injury or death for myself and my horse(s), and for property damage associated with my participation in equestrian activities at the Park, including risks that may arise from the negligence of the Released Parties.

4. Indemnification and Hold Harmless. I agree to indemnify, defend, and hold harmless the Released Parties from any claims, damages, liabilities, costs, or expenses (including attorney's fees) arising from:

a. Any injury, death, or property damage caused by me or my horse(s) while at the Park;
b. Any claims brought by third parties against the Released Parties due to my actions or the actions of my horse(s); and
c. Any failure on my part to comply with Park rules or applicable regulations.

5. Waiver of Unknown Claims (California Civil Code § 1542). I expressly waive any rights under California Civil Code § 1542, which states:

"A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

I acknowledge that I understand the significance of this waiver and that I am giving up any potential future claims that I may not presently be aware of.

6. Scope & Binding Effect. This agreement is binding upon me, my heirs, assigns, legal representatives, and any minors for whom I am signing as a parent or legal guardian. If any provision of this agreement is held invalid, the remainder shall remain in full force and effect.

7. Governing Law & Jurisdiction. This agreement shall be governed by and construed under the laws of the State of California. Any disputes arising under this agreement shall be resolved exclusively in the state or federal courts located in San Luis Obispo County, California.

ACKNOWLEDGMENT OF UNDERSTANDING
I HAVE READ THIS AGREEMENT, FULLY UNDERSTAND ITS TERMS, AND VOLUNTARILY AGREE TO BE BOUND BY THEM. I UNDERSTAND THAT BY SIGNING THIS AGREEMENT, I AM WAIVING CERTAIN LEGAL RIGHTS, INCLUDING THE RIGHT TO SUE.
