2026 Stall Reservation Policy for Paso Park-Managed Horse Shows

Stall requests can be made by trainers or by independent riders. By completing the online form, texting 805-369-1323 or emailing stalls@pasorobleshorsepark.com to request stalls, you acknowledge that you accept the full financial responsibility of the reservations you make on your behalf individually, or on the behalf of yourself and your training clients. We strongly advise that initial reservations be completed on the stall reservation form at pasorobleshorsepark.com/stall-reservations/. Updates can be made to your reservation at any point prior to the stall confirmation deadline by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com.

As soon as possible, you will be notified by Park staff if your reservation can be accommodated or if you are on a waitlist for that show. The following outlines your financial commitment and fees related to stall reservations:

- Prior to the posted [Closing Date](#): No financial penalties for reducing or canceling your total stall reservation.
- After entry [Closing Date](#): You are financially responsible for the full cost of the total number of stalls most recently requested and a \$50 office fee per stall reserved.

In the case that there are still stalls available after the related Closing Date of a horse show, late reservations may be made by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com. All late reservations must include a firm stall count and will have 48 hours after sending that count to make final adjustments, after that point you will fall into the financial commitments outlined above.

If your stall needs to change after that deadline you may work with other trainers to take those stalls, HOWEVER:

- Exchanges of stalls between trainers must be communicated to the Paso Park staff in writing for final approval and must include both trainers on the communication.
- Any exchanges made between trainers less than 10 days before the start of the show may not be accounted for in the stall chart.
- If there is any misunderstanding between trainers as to who is responsible for the stall cost, it will be the trainer that had them originally reserved that is ultimately financially responsible for the stalls.

If something does change please don't hesitate to reach out to us as soon as possible. In the case of a serious medical incident, a doctor's note or veterinarian's note received via email at least 48 hours in advance of the first day of scheduled competition will result in waiving the stall fees; however, the \$50 office fee will still be due. The above language outlines the policy we follow, but with advanced notice, we will always try to work with trainers as best we can while maintaining a fair approach for all competitors.

REFUNDS

In the case that you will no longer be able to attend the horse show, please refer to the chart below to determine if you owe any outstanding fees or will be receiving any refunds.

We appreciate your efforts to help us be organized in preparing for the shows and allowing us to accommodate as many competitors as possible. Should an unforeseen circumstance arise, please do not hesitate to reach out to management to discuss the details and determine if an exception can be made.

What is my outstanding balance?

CLASS SPECS

Q = GREAT AMERICAN INSURANCE/USDF QUALIFYING.

To qualify for the 2026 Great American Insurance Group/USDF Regional Dressage Championships, horse/rider combinations must earn two qualifying scores at two different USEF-licensed/USDF-recognized competitions with different judges. Qualifying classes must be at Test 3 for most levels, with specific minimum scores required for Open, Adult Amateur (AA), and Junior/Young Rider (Jr/YR). Add \$20 to class fee and review membership and horse registration requirements prior to entering. Horse may enter two consecutive levels only – even if more than one rider. Horse limited to three tests per day (Intro-4th).

- Minimum Scores (Test 3):
 - Training Level: 68% (Open), 63% (AA/Jr/YR).
 - First Level: 66% (Open), 62% (AA/Jr/YR).
 - Second Level: 64% (Open), 61% (AA/Jr/YR).
 - Third/Fourth/Prix St. Georges/Intermediate I and II: 62% (Open), 60% (AA/Jr/YR)
 - Grand Prix: 60% (Open), 60% (AA/Jr/YR).
 - Freestyle Scores: 65% minimum for all levels and divisions.

FREESTYLE

Dressage musical freestyle is an exciting combination of the technical and artistic aspects of classical dressage. To foster the highest possible technical quality in freestyle performances, competitors are required to enter a freestyle class only at the level at which they have already demonstrated proficiency. A copy of the USDF score verification verifying eligibility, must be submitted with the entry for a freestyle class. Qualification of those entries will be verified by USDF. Riders receiving scores within 30 days prior to a competition may submit a copy of the test verifying eligibility. Refer to USEF Rules, DR 129.9 for details on equivalencies

General

Musical freestyle is an artistic program created by the rider to present his or her horse to its best advantage in an artistic, musical context.

- It is judged according to technical execution (execution of compulsory movements) and artistic impression (harmony, choreography, degree of difficulty, music, and interpretation).

FREESTYLE CONT.

- It is performed in a standard dressage arena (20 x 60 meters).
- A copy of the program is not submitted in advance.
- It is the responsibility of the rider to remember and execute the choreography. Should disobedience or some other issue cause a disruption in the patterns, it is the rider's responsibility to get back on course.
- Current USDF scoresheets must be used.

Time

- The maximum time limit for all USDF freestyles is five minutes. There is no minimum time requirement.
- The bell or whistle will not be sounded at the end of five minutes.
- Movements performed after the time limit has elapsed will not be scored. One (1) point will be deducted from the total for artistic impression for exceeding the time limit. A 10-second grace period should be given before a deduction is taken.
- The program is timed from the horse's move-off after the initial halt and salute and ceases at the final salute.
- The rider must signal the sound engineer within 45 seconds of the entry bell or be eliminated. The rider must enter the arena within 30 seconds of the start of the music, or they may be eliminated at the discretion of the Judge.
- Exceeding 75 seconds before entering the arena after the bell has sounded will entail elimination.

Music

- Music is mandatory.
- Exit music is not allowed.
- The music must cease at the final salute.
- DR 129: In case of rider's music failing before or during a Freestyle Test and in cases where there is no backup system, the rider can, with permission of the judge at "C", leave the arena or start at a later time. There should be minimum interference with the starting times of the other riders and the affected rider should return to complete or restart his/her test during a scheduled break in the competition or at the end of the competition. The rider may decide

CLASS SPECS

DRESSAGE SEAT EQUITATION

- Gaits shall be performed by the exhibitors simultaneously.
- Medium walk, working trot, and working canter both ways of the ring must be performed. Equitation classes may also be offered that are limited to medium walk and working trot; these walk-trot classes are not qualifying classes for the USDF Dressage Seat Medal Semi-Finals or Regional AA Finals.
- Riders must be judged at the medium walk, sitting and rising working trot, and working canter in both directions. When rising trot is requested, the rider should change the diagonal when changing directions, except during a lengthening. The correct diagonal is considered to be when the rider is sitting when the outside front foot and inside hind foot are on the ground.
- USEF DR133.4-6 states that, in judging the position, seat and use of aids, judges may include the following movements and exercises as required at Training and First Level and they may be ridden as a group:
 - o Free walk
 - o Transitions from one gait to the next in both directions
 - o Transitions from walk to halt and vice versa
 - o Change of direction across the diagonal, down the centerline, across the arena, and/or by making a half-circle at the walk or trot.
- Judges may also choose movements and exercises, as required at Training and First Level, to be ridden in small groups or independently:
 - o Leg yield
 - o Changes of lead through trot
 - o Serpentine at the trot
 - o Shallow loop serpentine in canter, maintaining lead
 - o Trot lengthening and/or canter lengthening.
- Individual workout patterns are not recommended for regular DSE classes, but if used, a copy of all workout patterns, selected in advance by the judge(s), should be posted and distributed to all riders entered in the DSE class(es) at least one day prior to the class. All workout patterns require the use of a dressage arena or letters set up within an open ring.

MATERIALE

Horses will be evaluated under saddle at the walk, trot and canter in both directions of the arena. In addition, four and five year old horses may be asked to lengthen the stride at the trot and canter. If necessary, classes can be combined as follows: Three-year old fillies may be shown with four and five-year old mares, and three-year old colts and geldings may be shown with four and five-year old stallions and geldings. However, classes for fillies and mares may NOT be combined with classes for colts, geldings or stallions, and horses may NOT be asked to lengthen stride at trot or canter when three-year olds are shown together with older horses. Depending on local conditions, Materiale classes may be divided at the judge's discretion, All horses must compete together as a group in Materiale classes. Riders in any Materiale class are permitted to ride only one horse per class, including classes divided for judging purposes per USEF DR209.3. Horses must be at least 36 months of age to participate in Materiale classes. Mares may not compete under saddle or in Materiale classes after their eighth month of pregnancy or within three months after foaling. Unauthorized assistance by individuals outside the competition ring is not permitted. Horses will be evaluated according to the criteria listed on the "USDF Materiale Class" Scoresheet, and classes must be conducted according to the USDF "Procedures to Host USDF DSHB Materiale Classes".

OPPORTUNITY CLASSES

Horse, owner, rider, trainer and coach do not have to be USEF, USDF or CDS members and do not have to pay non-member fees. Opportunity classes are not eligible for USEF/USDF End of Year Awards Programs. Opportunity classes do count toward CDS Qualifying, CDS End of Year Awards, CDS RAAC Qualifying and Junior Championships, as long as CDS membership of rider and owner is current at the time that scores are earned. Horse and/or riders entered into opportunity classes may cross enter into the rated/recognized classes, but must then meet all membership requirements.

- » **PHOTO & VIDEO CONSENT** – By competing at or attending competitions or events at the Paso Robles Horse Park, you grant permission to unrestricted rights to use photographs and/or video footage of you, your horse, your pets, your family, and/or your guests for the purpose of promotion of the Paso Park in various mediums.
- » **PRIVATE FACILITY** – This is a privately owned and operated facility. Any horse on the grounds must be associated with and entered into the current competition taking place. Cases of exception, including utilizing the facility to transfer shipping horses, must be approved through the management.

» **SHARPS** - Sharps containers are located on the backside of every barn building. They are checked and emptied regularly.

» **STALLS** - Stalls on-site are 12' x 12' with Dutch doors. Stalls have rubber mat flooring. Each stall has access to electricity and there are four water spickets in each stall aisle. Due to the unpredictable nature of the industry, stall assignments aren't finalized until 72 hours before the first day of competition. We do our best to accommodate all requests, but are constrained by various factors. Stalls are assigned based on previous attendance at Paso Park-managed shows, sponsorships, barn size, and our ability to maximize the use of these stalls.

» **TRAILER PARKING** – All trailers must be parked in the designated trailer parking lot near the entrance of the Park. Any trailer not parked in the correct location may be booted and applicable to a \$50 fee.

SHOW OFFICE

» **DISCREPANCIES and/or BILLING ERRORS** – The show office is open and available until the completion of the last class on Sunday. If after “closing out” with the office a billing discrepancy is noted, competitors have 72 hours after the end of the show to send email communication to office@pasorobleshorsepark.com. After that point, all billing is final.

» **ENTRIES MADE AT THE SHOW** – Entries made the Tuesday of the show week or later during the show will incur a \$150 office fee.

» **FEED, SHAVINGS, AND GRAIN** – The Paso Robles Horse Park Feed Office will be open during show dates and will be offering hay, shavings, and grain feed. For advance orders please email feed@PasoRoblesHorsePark.com or complete the online feed form. Orders can also be made at the show in the office. Please note there will be no same day grain deliveries. Competitors may bring their own feed and bedding but they may not receive a feed or bedding delivery from an outside company.

» **LATE FEES** – Entries received after Closing Day will be charged a \$75 office fee. Entries made after 8a.m of the day prior to ticketed warm-ups will be charged a \$100 office fee. » **MAILED ENTRIES** - All entries must be postmarked by Entry Closing deadlines noted on page 4 with all required numbers and signatures to receive early entry status.

» **NON-COMPETING HORSES** – All horses on the grounds must be entered to compete in classes. If you are not planning to show, a \$150 non-competing fee will apply. All horses on the grounds will be assigned a number. To be considered a competing horse an entry must be shown in judged classes.

» **OFFICE FEE** – A fee of \$75 will be charged to each horse/rider combo for the week of competition. This is the only per horse fee and it includes medical personnel and emergency response, entry software, security, horse health, and office support.

» **OPEN BALANCES** – Competitors who do not come into the office to close out at the end of the show forfeit the right to adjustments on any show charges. Final balances will be automatically charged to the payment method on file. Competitors who fail to submit a valid form of payment for the full amount of their show bill by 5 p.m. on Sunday of the show week, will be charged a \$50 office fee.

RULES & REGULATIONS (CONT.)

» **PAST CREDITS/BALANCES** – Competitors may be notified of any previous Paso Park activity at the time of check-in. Outstanding balances must be paid prior to picking up show numbers. Outstanding balances may be deducted from prize money payments. Unpaid balances may prevent a competitor and/or their trainer of record from having stall reservations accepted. If a balance remains unpaid for more than 30 days the office may require a \$1,000 deposit payment before processing future entries.

» **PAYMENT** – All payments should be paid by credit card, cash, or check made payable to Paso Robles Horse Park Foundation. Any checks returned by the bank will be charged a \$100 penalty or 10% of the face value of the check, whichever is greater. Payments made by check or cash will receive a \$10 voucher for credit towards Paso Park Merchandise. No credit card fees are charged. Competitors that fail to submit a valid form of payment for the full amount of their show bill by 5pm on Sunday of the show week will be charged a \$50 office fee.

» **REFUNDS** – Past the closing dates on page 5, but at least 48 hours in advance of the first day of competition show scratches will require a note from either a doctor or veterinarian explaining the reason the competitor or horse cannot compete, acceptable at management's discretion. A competitor may replace one entry with another horse. If no replacement is made or note is received, competitors are responsible for the full stall fees and a \$50 office fee. Stalls are non-refundable. In all cases, a \$50 office charge will still be applicable.

» **SHOW SCRATCHES** – Up until the Entry Closing date you may make changes to or cancel your entries and related stall reservations. After that point you are fully responsible for the stall fee related to each specific horse's entry and for a \$50 office fee. At management's discretion, entry fees will be refunded in full, less a \$50 office charge, with veterinary certificate or medical doctor's note submitted via email at least 48 hours prior to the start of the show's first judged class. For more information on refunds and show scratches, refer to page 7 of this prize list.

» **TEMPERATURES** - Any horse exhibiting a temperature over 101.5F must be reported to management immediately.

» **TEXT ALERTS** – All trainers will be automatically enrolled in text updates utilizing the contact information submitted with entries or stall reservations. At the start of the show there will be an introductory text that allows the opportunity to opt-out.

» **TRAINER SPLITS** – Trainers may choose to add tack/grooming, feed and bedding orders, RV reservations, competitor show expenses, or any other miscellaneous show purchases to their "trainer splits." Trainers have until 5 p.m. on Friday of the show to complete the trainer split form indicating which competitor accounts to apply the division of expenses to and how to apply the division. If they do not complete this form by the deadline, the office may charge the full amount to the trainer's payment on file. It is fully and solely the trainer's responsibility to indicate what items are applicable to the split and how it should be applied. By completing and submitting your entry form with the indicated trainer's name on it, you accept the responsibility to be financially responsible for any assigned splits from that trainer for all costs related to the show you are entering. The horse show management is not able to intervene in a trainer's direction of how to assign those expenses.

» **VACCINATIONS AND HORSE HEALTH** - Per GR845 Equine Vaccination Rule: At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Competitors may be asked to provide proof of vaccination upon check-in or prior to entering the property.

DISCLAIMERS

» Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show, the officials, contractors, and employees of the show blameless for any loss or accident to his/her/their horse, employees, equipment, which may occur from sickness, fire, or otherwise.

» The management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries, and cancel award prizes without claims for damages; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges.

» Exhibitors are notified that any act of discourtesy or disobedience to the management, judges, or officials, on the part of the owner, trainer, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit entry fee and other fees.

» Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any trainer, competitor, groom, or horse from the show without being liable for compensation.

This
competition
is recognized
by USDF
for 2026

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
