2026 STALL RESERVATION POLICY FOR PASO PARK-MANAGED HORSE SHOWS

Stall requests can be made by trainers or by independent riders. By completing the online form, texting 805-369-1323 or emailing stalls@pasorobleshorsepark.com to request stalls, you acknowledge that you accept the full financial responsibility of the reservations you make on your behalf individually, or on the behalf of yourself and your training clients. We strongly advise that initial reservations be completed on the stall reservation form at pasorobleshorsepark.com/stall-reservations/. Updates can be made to your reservation at any point prior to the stall confirmation deadline by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com.

As soon as possible, you will be notified by Park staff if your reservation can be accommodated or if you are on a waitlist for that show. The following outlines your financial commitment and fees related to stall reservations:

- **Prior to the posted Closing Date: No financial penalties for reducing or canceling your total stall reservation.**
- **After entry Closing Date: You are financially responsible for the full cost of the total number of stalls most recently requested and a \$50 office fee per stall reserved.**

In the case that there are still stalls available after the related Closing Date of a horse show, late reservations may be made by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com.

All late reservations must include a firm stall count and will have 48 hours after sending that count to make final adjustments, after that point you will fall into the financial commitments outlined above. If your stall needs to change after that deadline you may work with other trainers to take those stalls, HOWEVER:

- Exchanges of stalls between trainers must be communicated to the Paso Park staff in writing for final approval and must include both trainers on the communication.
- Any exchanges made between trainers less than 10 days before the start of the show may not be accounted for in the stall chart.
- If there is any misunderstanding between trainers as to who is responsible for the stall cost, it will be the trainer that had them originally reserved that is ultimately financially responsible for the stalls.

If something does change please don't hesitate to reach out to us as soon as possible. In the case of a serious medical incident, a doctor's note or veterinarian's note received via email at least 48 hours in advance of the first day of scheduled competition will result in waiving the stall fees; however, the \$50 office fee will still be due.

The above language outlines the policy we follow, but with advanced notice, we will always try to work with trainers as best we can while maintaining a fair approach for all competitors.

REFUNDS

In the case that you will no longer be able to attend the horse show, please refer to the chart below to determine if you owe outstanding fees or will be receiving refunds. We appreciate your efforts to help us be organized in preparing for the shows

and allowing us to accommodate as many competitors as possible. Should an unforeseen circumstance arise, please do not hesitate to reach out to management to discuss the details and determine if an exception can be made.

SPECIAL CLASSES

\$2,499 Speed Stake March 21 | May 23 | October 10 | November 14

Ride to your pump-up song in this fun feature class! Competition will be held over a minimum of eight fences at a height of 1.15m. The class is judged in USEF Table III, faults converted to time. Order of go will be posted at least one hour prior to the start of the class. Competitors must appear in order of the posted order of go. All competitors must submit their bios in the horse show office by no later than Noon on the day of the class with their song selection.

SPECIAL CLASSES

\$2,500 Pick Your Line Derby March 20 | May 22 | October 9 | November 13

All competitors will compete in the first round over a course of at least ten fences at **2'6" in height** with up to four higher height **options of 2'9"-2'11"**. The first round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. Once the judge's score is given, one point will be added for each high option fence jumped.

At the conclusion of the first round, the top 10 riders will be invited back for a "pick-your-line" handy round. Riders must **create and ride a course of six to nine fences**, selecting the handy or derby elements that they feel will best demonstrate the strengths of their horse. The second round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. The course may include up to four higher height option fences of 2'9"-2'11". All jumps, including those that were part of a high option in the first round, are considered individual fences and may be jumped as such (meaning if

there was a high option for a jump in the first round, and you would normally only jump one of the options in the first round, you may jump both in the second round and have it considered as two fences). Competitors will be given a blank course map at the time of the walk; they must indicate the planned second round course on this map and turn it in prior to starting their first round. The judge will be given the maps so he/she is able to determine if the competitor is completing the intended round. Once the judge's score is given, one point will be added for each high option fence jumped. All fences in the second round are to be jumped at normal canter pace unless a different gait is specifically noted by the course designer on the course map.

The combined score from round one and round two will determine overall score and placement in the class.

Note: Pick Your Line Derby will not count for USEF points.

Scores will be totaled from both the first and second round to determine the winners. All overall ties will be broken by using second round scores. Classes 21 and 22 the Junior/AO Hunter Classics and 20 the Child/Adult Hunter Classic will not be eligible for Horse of the Year bonus points. Prize money divided 30%, 20%, 15%, 13%, 12%, 10%.

Points are to be awarded as follows: 1st - 7pts, 2nd - 5pts, 3rd - 4pts, 4th - 3pts, 5th - 2pts, 6th - 1pt. Riders with 7 points or more are invited to participate in the Green Rider Medal Final. A final opportunity to qualify will be held at the Turkey Trot & Jump Show. The Top six riders placing in that class will be qualified. Any rider that has previously won the Green Rider Medal Final is no longer eligible to compete.

NorCal Hunter Jumper Equitation 2'6" Classics

To compete, current membership with the NorCal Hunter Jumper Association is required of both the rider and trainer. Riders may not compete over 2'9" at the same show. The Equitation Classic consists of three phases, including equitation over fences, equitation on the flat, and a gymnastics phase; the same horse must be used for all three phases. Scores from all three phases will be combined to arrive at the overall placings. Classics are offered in a junior and amateur section, although in cases of less than three entries, these sections may be combined.

English Pleasure Hunter Seat Classes

Forward, balance seat or side saddle, snaffle bridle, pelham with two reins, kimberwicke bits or a full bridle (curb and snaffle). If a full bridle is used, it must be of hunter-style and excessive length of curb shank shall be penalized. Breast plates are permissible, but martingales are prohibited. Horses may be shown with or without braided manes and/or tails. For rider, traditional hunter-style jacket, breeches or hunter jodhpurs, dark hunting cap, derby, or protective headgear and appropriate boots. Tall dress or tall field boots are preferred as traditional. Paddock or jodhpur boots with matching half chaps are permitted although not considered as traditional. A stock, choker or four in hand with any color shirt is correct. In all classes gloves, hunter crop or bat, and spurs are optional. Riders must wear fastened protective headgear which meets or exceeds ASTM (American Society of Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag (See GR801.4) when mounted. Shadbellies are prohibited.

Race for the Pot O' Gold

Held at Shamrockin' Show, this class is conducted in accordance with USEF rules JP 150.1 for Special Classes Gambler's Choice at a height of 0.70m. Following the tone from the judge, competitors will cross the indicated start line in either direction and will have 60 seconds to complete a course of their choosing in an effort to secure the greatest number of "gold coin" points. Obstacles will be marked on a course map with varied gold coin values available for each obstacle if cleared successfully; values will range from 10 - 120 coins. One of the obstacles (the Rainbow Jump) will be a more difficult obstacle and will have the highest gold coin value of 200 coins. The Rainbow Jump can only be jumped in the indicated direction. If the Rainbow Jump is knocked down those points will be subtracted from your total. At the completion of the 60 seconds, the judge will sound a tone to indicate the end of the round. At that time the competitor must cross the finish line to stop the clock. Each obstacle may be jumped twice; however, jumping an obstacle that has been knocked down or more than twice will result in disqualification. The competitor with the greatest number of gold coins is the winner. In the event of a tie for number of points, the final time will be considered. All can participate but only juniors and amateurs can win!

Rosé Hack & Splash

Held at Rosé in May, competitors will be given a plastic cup to hold during the class. All cups have been evenly filled with liquid. You will be worked by the judge at the walk, trot and canter. Following the flat phase, riders will be asked to line up and then will be directed by the judge to complete a line of two fences set at 2'. Any rider that does not make reasonable effort to complete the directions of the judge will be disqualified. The winner is the competitor with the most liquid still remaining in his/her cup. All can participate, but only juniors and amateurs can win!

Pumpkin Power, Plop & Speed

Riders are asked to jump a course of 4 fences and 4 candy stops set at 0.70m. After each fence, the rider must plop a single piece of candy into the Jack-o-Lanterns without dropping the candy or knocking over the bucket. Any fallen rails, candies, or buckets are 4 faults converted to time. The fastest time wins. All can participate, but only juniors and amateurs can win!

Turkey Dinner Relay

Follow the course map to jump 4-6 jumps with 3-4 buffet stations in between to build your dinner basket. To complete the relay you must return to the back gate with a full plate containing all Thanksgiving dinner items listed on the course map. Faults are calculated based on standard jumper table 2 rules and four faults will be added for each missing dinner item. Fastest time with lowest faults wins. All can participate, but only juniors and amateurs can win!

IMPORTANT POLICIES OF THE SHOW

Adds & Scratches Due By 5 p.m. Daily

All changes for the next day, including adds and scratches, must be made by 5 p.m. each day in the office. This allows the next day's schedule to be created with class counts and times, and made available to everyone in a timely manner. These shows allow same-day adds as long as the schedule in each ring allows for such. Any changes made after 5 p.m., if accepted, will be considered SAME DAY and will fall under the policy for same day adds and scratches. There will be a \$5 per transaction fee for same day adds.

Same-Day Adds/Scratches

Any same-day adds or scratches must first be done at the show office. Once add/scratch forms are completed with office, slips must be brought to the back gate. If any same-day scratches are not done in the office before the start of the class, that class will not be removable from the show bill.

Canceled & Combining Of Classes

Classes with less than the entry minimums may be either canceled or combined with other classes, at management's discretion. Often this is determined at 5 p.m. the day prior to the class. Please enter in all your desired classes by 5 p.m. the day before.

Scratch Your Classes BEFORE They Start

Be sure to stop by the Horse Show Office or utilize horseshowing.com to scratch any classes you have entered that you won't be showing in BEFORE the start of the class. If you don't scratch them at all, or try to scratch them after the class has started, you will be charged the full entry fee.

Posted Time Schedule

The most accurate estimation of the daily time schedule will be completed after adds and scratches have been entered. We strive to post this schedule by 7 p.m. the day prior. The schedule can be found at www.PasoRoblesHorsePark.com/Daily-Show-Schedule.

Each round may be 3-5 minutes long and can be utilized for hacking or jumping portions of the posted course. There is no changing of jump heights or directions allowed. Everyone riding a ticketed warm-up must wear a number. All rounds will be billed to the number recorded; however, trainers may choose to wear a single number throughout the day and have all ticketed warm-up charges included on the trainer split. No poling or offsets allowed. Once the show week begins, on Thursday of each week, the above policies will take effect in each specified arena.

Please note all schooling access is subject to weather, footing, and schedule constraints as determined by show management. Absolutely no schooling will be permitted 30 minutes after sunset each day. Any end-of-day over fences schooling must be confirmed with management through back gate staff.

» **MAILED ENTRIES** – All entries must be postmarked by Entry Closing deadlines noted on page 4 with all required numbers and signatures to receive early entry status.

» **OFFICE FEE** – A fee of \$75 will be charged to each horse for the week of competition. This is the only per horse fee and it includes medical personnel and emergency response, entry software, up to 5 low res professional photos, security, horse health, and office support. There are no nomination fees charged at these shows.

» **OPEN BALANCES** – Competitors who do not come into the office to close out at the end of the show forfeit the right to adjustments on any show charges. Final balances will be automatically charged to the payment method on file. Competitors who fail to submit a valid form of payment for the full amount of their show bill by 5 p.m. on Sunday of the show week, will be charged a \$50 office fee.

» **PAST CREDITS/BALANCES** – Competitors may be notified of any previous Paso Park activity at the time of check-in. Outstanding balances must be paid prior to picking up show numbers. Outstanding balances may be deducted from prize money payments. Unpaid balances may prevent a competitor and/or their trainer of record from having stall reservations accepted. If a balance remains unpaid for more than 30 days the office may require a \$1,000 deposit payment before processing future entries.

» **PAYMENT** – All payments should be paid by credit card, cash, or check made payable to Paso Robles Horse Park Foundation. Any checks returned by the bank will be charged a \$100 penalty or 10% of the face value of the check, whichever is greater. Payments made by check or cash will receive a \$10 voucher for credit towards Paso Park Merchandise. No credit card fees are charged. Competitors that fail to submit a valid form of payment for the full amount of their show bill by 5pm on Sunday of the show week will be charged a \$50 office fee.

» **SAME DAY FEES** – Any same day adds will be charged a fee of \$5 per transaction. Once the class has begun a competitor cannot add or scratch from that class unless an exception is made by management. Same day entries may go first in order, regardless of when the order is drawn.

» **SHOW SCRATCHES** – Up until the Entry Closing date you may make changes to or cancel your entries and related stall reservations. After that point you are fully responsible for the stall fee related to each specific horse's entry and for a \$50 office fee. At management's discretion, entry fees will be refunded in full, less a \$50 office charge, with veterinary certificate or medical doctor's note submitted via email at least 48 hours prior to the start of the show's first judged class. For more information on refunds and show scratches, refer to page 7 of this prize list.

» **TEMPERATURE LOGS** – All horses on the facility must have their temperature monitored twice daily for the 72 hours prior to their arrival and throughout the duration of their stay at the Paso Park. Any horse exhibiting a temperature over 101.5o F must be reported to management immediately.

» **TRAINER SPLITS** – Trainers may choose to add tack/grooming, feed and bedding orders, RV reservations, competitor show expenses, or any other miscellaneous show purchases to their "trainer splits." Trainers have until 5 p.m. on Friday of the show to complete the trainer split form indicating which competitor accounts to apply the division of expenses to and how to apply the division. If they do not complete this form by the deadline, the office may charge the full amount to the trainer's payment on file. It is fully and solely the trainer's responsibility to indicate what items are applicable to the split and how it should be applied. By completing and submitting your entry form with the indicated trainer's name on it, you accept the responsibility to be financially responsible for any assigned splits from that trainer for all costs related to the show you are entering. The horse show management is not able to intervene in a trainer's direction of how to assign those expenses.

» **VACCINATIONS AND HORSE HEALTH** – Per GR845 Equine Vaccination Rule: At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Competitors may be asked to provide proof of vaccination upon check-in or prior to entering the property.

DISCLAIMERS

» Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show, the officials, contractors, and employees of the show blameless for any loss or accident to his/her/their horse, employees, equipment, which may occur from sickness, fire, or otherwise.

» The management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries, and cancel award prizes without claims for damages; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges.

» Exhibitors are notified that any act of discourtesy or disobedience to the management, judges, or officials, on the part of the owner, trainer, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit entry fee and other fees.

» Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any trainer, competitor, groom, or horse from the show without being liable for compensation.

» All questions not covered in these rules and regulations shall be decided by the show management whose decision shall be final.

1. Consideration & Acknowledgment of Risk. In consideration for being permitted to participate in equestrian activities, including but not limited to competitions, training, riding, handling, and any related events at the Park, I, the undersigned, acknowledge and agree as follows:

a. I understand and acknowledge that equestrian activities are inherently dangerous and involve significant risks of serious bodily injury, illness (including communicable diseases), permanent disability, paralysis, or death to myself, my horse(s), and others. I further acknowledge that these risks include, but are not limited to, falls, collisions, unpredictable animal behavior, equipment failure, and the negligence of other participants, spectators, and event organizers.

b. I represent that I have the necessary training, experience, and physical ability to participate safely and that I will comply with all rules and regulations of the Paso Robles Horse Park Foundation (the "Foundation"), Paso Robles Horse Park, LLC ("PHRP"), and any governing equestrian bodies.

2. Waiver and Release of Liability. To the fullest extent permitted by law, I voluntarily release, waive, and discharge the Park, the Foundation, PHRP, and their respective officers, directors, managers, employees, agents, volunteers, affiliated organizations, insurers, sponsors, and vendors (collectively, the "Released Parties") from any and all claims, demands, causes of action, liabilities, costs, or expenses, including attorney's fees, arising out of or related to any injury, death, or property damage that I, my horse(s), or my guests may suffer while at the Park, whether caused by the negligence of the Released Parties or otherwise.

3. Express Assumption of Risk. I voluntarily assume all risks of injury or death for myself and my horse(s), and for property damage associated with my participation in equestrian activities at the Park, including risks that may arise from the negligence of the Released Parties.

4. Indemnification and Hold Harmless. I agree to indemnify, defend, and hold harmless the Released Parties from any claims, damages, liabilities, costs, or expenses (including attorney's fees) arising from:

- a. Any injury, death, or property damage caused by me or my horse(s) while at the Park;
- b. Any claims brought by third parties against the Released Parties due to my actions or the actions of my horse(s); and
- c. Any failure on my part to comply with Park rules or applicable regulations.

5. Waiver of Unknown Claims (California Civil Code § 1542). I expressly waive any rights under California Civil Code § 1542, which states:

"A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

I acknowledge that I understand the significance of this waiver and that I am giving up any potential future claims that I may not presently be aware of.

6. Scope & Binding Effect. This agreement is binding upon me, my heirs, assigns, legal representatives, and any minors for whom I am signing as a parent or legal guardian. If any provision of this agreement is held invalid, the remainder shall remain in full force and effect.

7. Governing Law & Jurisdiction. This agreement shall be governed by and construed under the laws of the State of California. Any disputes arising under this agreement shall be resolved exclusively in the state or federal courts located in San Luis Obispo County, California.

For each section, only the first three numbered over fences classes, regardless of how many classes are held, and one flat class in each equitation section will count for USHJA Outreach points. Riders must be juniors or amateurs.

Points

- At least three entries must complete the course or class for points to count
- Points will accrue through sixth place for any class that has six or more entries
 - » In classes with six or more entries, full points will accrue as follows:
 - 10-6-4-2-1-½
 - » 5 entries: 6-4-2-1-½
 - » 4 entries: 4-2-1-½
 - » 3 entries: 2-1-½
- A rider's home zone will be determined by their place of residence during the current competition year. If a rider changes zones, because of school, work, or otherwise, he/she must request permission change his/her home zone to the USHJA in writing in order for his/her points to follow. Points will follow the USHJA competition year, December 1 to November 30.
- USHJA will provide certificates of merit in three categories in each USHJA Outreach section or class.
 1. Bronze Level: riders must earn at least 30 points during the competition year
 2. Silver Level: riders must earn at least 50 points during the competition year
 3. Gold Level: riders must earn at least 75 points during the competition year
 4. Certificates will be awarded by zone, and if a zone banquet is held the zone committee is strongly encouraged to present USHJA Outreach certificates during the banquet. Otherwise certificates will be mailed. When a rider achieves Bronze the USHJA will mail the certificate at that time. Presentations of Silver and Gold certificates will be awarded at the end of the year.

Membership Requirements

- Outreach Membership is free. All Outreach class participants must join as a USHJA Outreach member to be eligible for awards.
- Horses are not required to be registered with USHJA or be microchipped to compete in Outreach classes.
- Outreach members are subject to a Show Pass Fee of \$30 at USEF licensed events.
